(Figures in bracket shows percentage of rating student)

Following rating of the conclusion is derived by the Feedback Analysis Committee headed by P.M.Tayde, (Asst. Prof. in Economics)

CONCLUSIONS:-

- 1) First question was asked about Preparation and Knowledge of teacher in class room. Out of selected sample **68%** students says preparation and knowledge of teacher about classroom teaching was **VERY GOOD**, **32%** students says **GOOD**, nobody students rates to **SATISFACTORY** and **UNSATISFACTORY** preparation and knowledge of teacher in class.

- 2) Second question was asked about teacher`s method of subject presentation. From sample student **26%** says that teacher`s method of subject presentation was **VERY GOOD**. Another **56%** says **GOOD**, **18%** says **SATISFACTORY** and no one student explains about **UNSATISFACTORY**.

- 3) Through third question it was enquire from student that How is the commitment and sincerity of the teacher in teaching? Out of sample student **42%** says there was **VERY GOOD** commitment and sincerity of teacher in teaching. Rest of sample put their rating as fallows- **38% GOOD**, **20% satisfactory** and no one says about **UNSATISFACTORY**.

- 4) Fourth question was about applicability of course in real life in this contest **58%** students says that applicability of course in real life was **VERY GOOD**. **32%** student says **GOOD**, **10%** says **SATISFACTORY** and nobody explain about **UNSATISFACTORY**.

- 5) At last fifth question was about depth of course for BA. Against this question **32%** students says that depth of course is **VERY GOOD**, **54%** says

depth of course is **GOOD**, only **14%** says depth of course is **SATISFACTORY** and nobody reply about **UNSATISFACTORY**.

In this way here I present feedback of students about teachers and course. Remarks from students prove efficiency and sincerity of teacher.
